

2024 WOMEN'S CLUB & LEAGUE

League Format:

The Inver Wood Women's Club is a Monday evening 9 Hole team based match play league that runs for 12 weeks. Each week, two members per team will be expected to show up for their team's assigned tee time. Tee times every week will vary, but will typically be between 4:50-6:10pm as we have a reserved block of time with Inver Wood.

We offer a Championship league and an Executive league. The Championship League will play both the front and back nines of the Championship course - typically one week on the back per month. The Executive League will play the executive course every week.

League Scoring:

Opposing team players are matched each week with 2 other members of the league (making a foursome). Using handicaps **2 points** are awarded to the winning 2 players in each match. In addition, **2 points** are awarded to the team with the lowest combined score with handicap. It is possible to earn **6 points** per week per team. Ties will split the points. Handicaps will take at least one week of scores to be generated.

League Website:

As a part of the league fees, the IWWC pays for and manages a league website for detailed information about our league. Things that can be found at anytime on the league website are:

- Schedules of Tee-Times
- Team roster
- Player information (including Handicap)
- Weekly results

Access to the website will be shared to members after successful registration and payment.

League Schedule:

The league schedule is available for viewing on our league's website which will be sent out to league members after successful registration and payment. Here are some key dates:

Monday, April 8th - Payment Due & League Registration CLOSES (if it hasn't filled up by this date)

Monday, April 29th - League Meeting & Kickoff Email with Tee Times, Rules, Website Information Sent

Monday, May 6th - First Week of League!

Monday, May 27th - NO GOLF - Memorial Day

Monday, July 1st - NO GOLF - Fourth of July

Monday, August 5th - Last Day of League (tentative based on any weather related cancellations)

Monday, August 19th - League Tournament (tentative based on any weather related cancellations)

Monday, September 9th - League Banquet

Handicapping:

The league does use a handicap system to compete fairly during our weekly team match play. Player handicaps and the algorithm used for generating the handicaps is available for viewing on the league website. GHIN Handicaps are not included in our league fees.

Substitutes:

Teams are responsible for finding a substitute if they are unable to make their tee time. A substitute list is provided on our league's website.

If you are interested in becoming a Substitute but not a part of a team, you can proceed to our online registration form and choose the Substitute Only path.

Registration:

Registration is handled on a first come, first serve basis. This year, we are able to accommodate 16 teams on the Championship league and 18 teams on the Executive league. We will be updating the registration form as necessary when the leagues fill up.

If you are interested in joining the league, you can proceed to [REGISTER HERE!](#)

Registration is considered final once we have received payment for your entire team - please have this paid by the registration deadline of April 8th, 2024.
