About INVER WOOD WOMEN'S CLUB

The Inver Wood Women's Club was organized to:

- Promote the game of golf
- Provide an opportunity for league play
- Provide handicap service for members
- Provide exposure to other golf organizations such as U.S. Golf Association, Minnesota Women's Public Golf Association (MGA), and Minnesota Golf Association

League Definition

The Women's Club League consists of players and substitutes that are members of the Women's Club. They have registered and paid the appropriate fees for league play. For 2018, a minimum of a 12-week schedule will be required.

League Format – Monday Night 9 Hole

Teams: Each team can be comprised of up to four players; however, only two team members will play each week.

Points: Opposing team players are matched each week based on handicap. 2 points are awarded to the winning player in each match. 2 points are awarded to the team with the lowest combined score with handicap. It is possible to earn 6 points per week per team. Ties will split the points.

One scorecard per foursome is turned in at the clubhouse each week following play. The scorecard must have First and Last Names for each player, team numbers and date. It must be signed by the scorer and attested to by an opposing player. If not complete, scores will be considered null.

Scores are entered into the golf software by the League Director, Michelle Odalen. Results will be posted out on the website provided by the software. <http://web3.golfsoftware.net/10837/>

Season: The 2018 golf season will be 12 weeks. League play will begin on Monday, **April 30, 2018** and conclude on Monday, **July 30, 2018. NO GOLF MAY 28th for the HOLIDAY.** Season may be extended due to rainouts up to **August 20th, 2018.** A refund will be given for any rainouts that cannot be rescheduled before **August 20th, 2018.** A league tournament will be scheduled if time is available following completion of the regular season and any rainouts (see date above).

Championship League will alternate play on the front and back 9-hole course. The **2nd Monday of each month** you will play the back 9-hole course. The starter will direct you to the 10th tee for play.

Handicap

All players will receive an 18-hole handicap. For members without a previously established handicap, five 18-hole rounds or ten 9-hole rounds are required to establish an 18-hole handicap. Each member should have one handicap and one GHIN #. The GHIN # is the identification number on your handicap card. Existing members will be given the same GHIN. New members should supply a GHIN if they previously had a handicap from another course, otherwise a new number will be issued and their handicap will have to be re-established.

Team Matching

We will provide **single** players seeking to form a team with information on other single players or teams wanting to add a third player.

Facebook Page

We have created a Facebook page to help with communications. It can be used to find a sub, be notified of rainouts and other items that need to be communicated. It is a closed group, so you must be accepted into it to see any posts. Search for Inver Wood Women's Golf League and send a request to join.
